CADS Medical Detoxification service is for people who have a physical dependence on alcohol or other drugs (e.g. opiates, methamphetamines, cannabis & benzos).

Physical dependence is when people:

- Need to increase how much they take to get the same effect
- Suffer physical and psychological withdrawal symptoms if they stop drinking or using drugs

If you would like to know whether detox might be an appropriate option for you or have questions about the detox process, you can visit us:

Mon – Fri  
10am – 1pm

Venue:  
Pitman House  
50 Carrington Rd  
Pt Chev

When you visit we can address your concerns and may be able to get your detox underway.
