CADS Auckland Opioid Treatment Service (AOTS)

Through medication and support people can reduce harm and achieve stability in their lives

CADS Auckland Opioid Treatment Service (AOTS) provides support and medications (methadone or suboxone®) to people dependent on opioids.

Ongoing individualised treatment or short term reduction plans are available depending on your needs.

Opioid substitution treatment (OST) is well documented as a very effective treatment which offers stability and gives people time to change their lifestyle and begin their recovery.

Open Monday – Friday 9.00am – 5.00pm @

- CADS North (Takapuna)
- CADS South (Manukau)
- CADS West (Henderson)
- Pitman House (Pt Chevalier)

All can be accessed by phoning (09) 845 1818 or you can attend a CADS walk-in clinic 10.00am – 1.00pm Monday - Friday

If you have questions about opioid treatment phone 815-5841 and ask to speak with the AOTS nurse or send a message via the website www.cads.org.nz

This is a free service.
